Uniting hearts in faith and devotion for a transformative spiritual experience.

Revelation: The Eucharistic Tour

On Saturday 6th July 2025 , I was watching the priest putting the Eucharist in the tabernacle after communion, when I heard Jesus saying,

“I am a captive here I want to go out to meet my people who is suffering . Get me out, please Danielle , I want to heal my people.”

- On Saturday 6th July , I was watching the priest putting the Eucharist in the tabernacle after communion, when I heard Jesus saying, ***“I am a captive here I want to go out to meet my people who is suffering .Get me out, please Danielle , I want to heal my people.”***
- A few days after ,I watched a clip on the Eucharist Revival in USA promoting the meeting in Indianapolis for the week end 20/21 July 2025.
- The message was clear Jesus wants to go out.
- We , Catholics are on a maintenance mode, we are like a team playing defensive instead of the offensive.
- How a heck can we win the battle to bring Him the lost soul?
- Let’s bring Heaven on earth!
- I am deeply convinced that the Eucharist, the Living Jesus visiting the houses will heal the family along the teens , many mothers.
- Sinners will repent and forgive, and will be healed.
- Let’s Dare to Dare to bring Jesus to our people praying 24 hours/7 days during the special week for the healing of our land.
- We trustingly surrender to your Will – bring your body blood to our people for them to taste your Love & mercy .
